

February 4, 2019

CMBB SEMINAR SERIES 2019

Dr. Matt Hemberger, Analytical Leader, GSK

Pharma Careers: Q&A | 10 am – 12 pm | PS 226, FAU Boca

A careers in the pharmaceutical industry Q&A session. Topics to be discussed will include: job hunting, preparing for interviews, common interview questions, the S.T.A.R. approach to answering questions, salary, and relocation. Students who are approaching graduation are encouraged to bring questions regarding their own careers searches. This will be an informal session where students may ask any and all questions regarding life after graduation.
