

FLORIDA ATLANTIC UNIVERSITY
CHARLES E. SCHMIDT
COLLEGE OF SCIENCE

VIRTUAL WALK-IN WEEK

JANUARY 11—15, 2021

10:00 AM—3:00 PM

ROCKETCHAT LINK: http://www.science.fau.edu/student_services

Virtual Walk-In Advising Options:

Virtual Walk-in Advising is for the below reasons **only**. Visit the College of Science Advising website listed above to chat virtually with the College of Science Advising team for the following reasons:

- ⇒ **Spring Schedule**—if you need guidance to complete your Spring 2021 classes
- ⇒ **Spring Transfer Student Advising**—if you have not yet scheduled your initial transfer advising appointment to remove your advising hold and discuss recommended classes for the spring term
- ⇒ **Spring Graduation**—if you have any questions related to applying for graduation for the Spring 2021 term

General advising sessions are still available NOW through Success Network (by phone only) if you would like to finalize spring plans prior to the start of the term. To discuss any future advising, please schedule an appointment.
