**The Application:**

- All pre-dent students should apply in the summer between their Junior and senior year.
- You should take the DAT in the spring of your junior year. The DAT is given on computer at Sylvan Learning Centers almost everyday of the year. However, once you take the DAT, you must wait a minimum of 90 days to retake it.
- Most schools require application through the American Association of Dental Schools Application Service (AADSAS)

**Pre-Health Professions Office at FAU:**

**All pre-health students are encouraged to read the Pre-Health Professions Handbook, located online at: [www.science.fau.edu/preprof.htm](http://www.science.fau.edu/preprof.htm)**

You will want to seek out the services of the Pre-Health Professions Office. The office is set up to assist FAU students in obtaining admission to the Health Professions School of your choice. However, it is YOUR responsibility to ensure that you are well qualified for admissions. The Pre-Health Professions Office is located in the Science and Engineering building at FAU, Room 234. You must be a junior to set up a folder with the office.
